Drinks Reception

It is customary to offer your guests a drink to welcome them to your reception and as a toast to celebrate your marriage. We stock a comprehensive range of wines and Champagnes to accommodate everyone's tastes. If there is something in particular that you would like that we don't have we will make every effort to find it for you. To get your wedding celebrations off to the perfect start why not offer a chilled glass of Champagne or a fresh glass of Pimms and lemonade.

On a nice day there is no place better to enjoy your first drink as a married couple than on our decked terrace relaxing in the sunshine and looking out over the lakes. Our first floor gallery can also provide a unique spot for a reception drink and an ideal opportunity to mingle with your guests. The gallery has the best views in the house across the lake to the River Great Ouse and allows you to enjoy the beautiful surroundings whatever the weather.

Contemporary Chic - For larger celebrations you don't need to compromise on the quality of food or the service and the magnificent surroundings of our restaurant with panoramic views and vaulted ceiling will ensure a memorable day for you and your guests.

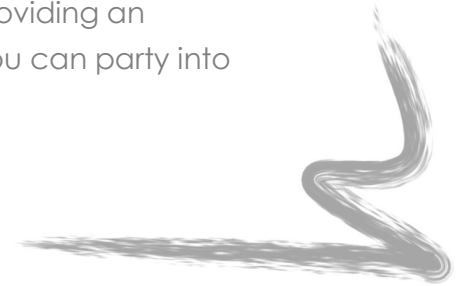

Evening Reception

After the formalities of the day you want to relax with your friends and relatives safe in the knowledge that your guests will be looked after and the details taken care of.

The first floor Gallery offers ultimate versatility as a space for meeting & greeting evening guests, reception drinks and an evening buffet. When it comes to the evening food we can tailor it entirely to your needs but rest assured that our chefs will still impress even if you are only looking for a light finger buffet.

We can also offer evening entertainment for your guests providing an opportunity to let your hair down and with a late licence you can party into the early hours.

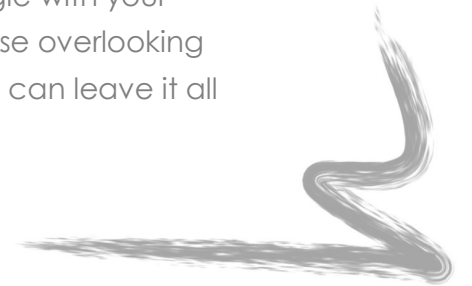

Worried about the weather?

Often one of the most unpredictable things about planning your wedding in the UK is the weather. At Box End Park we have ultimate flexibility to cope with whatever the day may bring.

On a beautiful sunny day you and your guests can sip your Champagne while soaking up the sun and the fresh country air on our outside decked areas. If the weather is not so kind we will always make sure there is a plan B which won't compromise your day. For example, we can whisk you over to The Boathouse Room for your reception drinks which offers wonderful views across the Northern Boat Lake or alternatively you can mingle with your guests on the stunning indoor balcony of the main Clubhouse overlooking the bar, restaurant and lake. With a little bit of planning you can leave it all to us to worry about on the day so you don't have to.

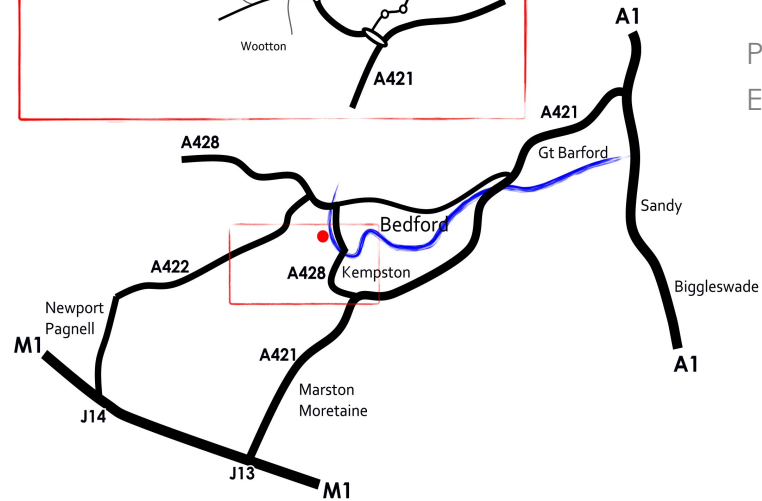

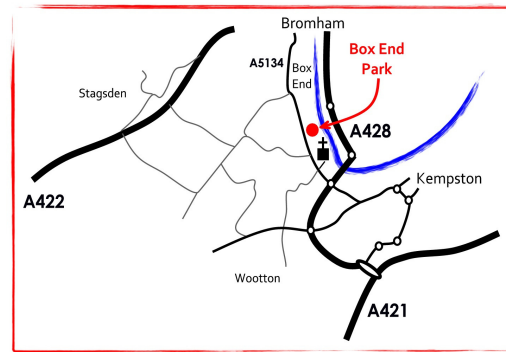

Where to Start?

If you're not sure where to start when planning your wedding or are new to the area we have plenty of contacts with excellent local business who we have regularly worked with and who offer a high quality and reliable service (photographers, florists, entertainment etc).
